Anti-tracking drop fiber optic cable for Madagascar LAN

Length:14.5mm
Small-end inner diameter:2.0mm
Large-end inner diameter:3.5mm
Outer diameter:5.2mm

The cable consists of loose tubes containing single mode fibers surrounded by a non-metal central strength member. An anti-tracking material is used as the inner sheath, and Kevlar yarns are applied ...

Discover rodent-resistant fiber optic cables including anti rodent drop cable, armored cable fiber optic designs, and how to protect fiber optic cable in harsh environments.

Length:41mm
Small-end inner diameter:3.0mm
Large-end inner diameter:5.0mm
Outer diameter:6.0mm

Discover rodent-resistant fiber optic cables including anti rodent drop cable, armored cable fiber optic designs, and how to protect fiber optic cable in ...

OM3 Fiber Patch Cable Family

By linking fiber identity, location, and design at the moment of installation, it removes the delay between field activity and project visibility. When as-built becomes a live signal, it becomes a control mechanism.

LANshack offers premium fiber optic cable & copper wire assemblies. We have all the components to optimize & install your network!

As its name indicates, there is no support or messenger wire required, so installation is achieved in a single pass, making ADSS an economical and simple means of building a fiber optic network.

CommScope designs and manufactures a comprehensive line of fiber optic drop cables

UT Drop Cables Offer enhanced performance for FTTH solutions, featuring bend-insensitive fibers and robust construction for indoor/outdoor use. They are designed for easy installation and termination, ...

Support the deployment of fiber optic cables with our toneable drop cable assembly. Its versatility helps you adapt to different installation scenarios and network requirements.

AA network used for Fiber to the Home (FTTH) or Passive Optical LAN using optical splitters to allow bidirectional communications over a single fiber shared by multiple users.
