

Bus Cold Aisle 4U Manufacturer

Overview

In 2024, Worthington Armstrong Venture (WAVE), a joint venture between Armstrong World Industries, Inc., acquired all of the assets of Data Center Resources, LLC (DCR) related to the design and manufacture of customizable, modular aisle. Many customers work with a Vertiv reseller partner to buy Vertiv products for their IT applications. Partners have extensive training and experience, and are uniquely positioned to specify, sell and support entire IT and infrastructure solutions with Vertiv products. Already know what you need?

An aisle containment system is a simple way to improve cooling efficiency in hot aisle/cold aisle rack configurations. A factory-installed full perimeter compression gasket seals the door frame and minimizes air leakage. Ergonomic angled handles reduce pinch points. Clear and multiwall panel options are. Whether ceiling hung or integrated with aisle structure, our containment solutions are manufactured on our dedicated lines for quality, accountability, and fast lead-times.

Bus Cold Aisle 4U Manufacturer
