

# Cable Management Module for Low Voltage Distribution Box

## Overview

Minimum order quantity: 1 carton of 5 sets WARNING - Not for use in high-voltage electrical applications. These cable management arms are exclusively designed for low-voltage cables and will NOT work with 120V, 14 gauge cable size. ABB's Control Room offering includes a comprehensive range of solutions designed to optimize the operator workspace for critical 24/7 processes across various industries. When you route cables neatly and separate low voltage wires from. Our intelligent and mechanical boxes in the area of power and data distribution offer modular solutions for all voltage levels and at the same time optimize functionality - for maximum efficiency with maximum safety. As a pioneer of the power and data distribution of the future, LEONI always keeps. Our SmartWire® cables, proudly American-made, offer superior quality and reliability.
