

## Cable trays in Northern Europe and Thailand

### Overview

We offer the market's widest range of wire trays. With stainless steel wire trays in stock and custom solutions, we can always meet your unique needs. Clear cable routing – Organized and safe cable management, easy maintenance, helps prevent failures. Fast installation – Reduce installation costs with quick and efficient. Since the acquisition of ACS in June 2013, Niedax Thailand – a wholly-owned subsidiary of Niedax GmbH – has extended our successful business in the field of metallic products to the sales of our complete product range of cable management systems. We aim to evolve with the times, bringing safety. These are cable management systems composed of trays, mounting support systems, direction changing parts, connection parts and fittings with the purpose of carrying and fixing cables safely in the electrical installations.
