

Compatible High-Precision Co-packaged Photonics Supplier in Bolivia

Overview

PHIX provides an assembly and packaging service for photonic integrated circuits (PICs). We support chip prototypes as well as high-volume manufacturing and our engineers help optimize your design early on. We are a one-stop shop fully tailored to your needs. How does our search work?

With MEET OPTICS search you get direct access to our database of thousands of optical components from providers worldwide. You appear to be visiting from North America. We can run your integrated photonics and MEMS assembly processes on our machines, with functions ranging from wire bonding to hybrid assembly. Whether it's for seamless integration, efficient operation, easy characterization or robust performance, we specialize in assembly and packaging approaches to maximize the value of your device. As a. For more than 25 years Hitachi High-Tech, an opto-communication solutions provider, has served the fiber optic industry with long term, reliable, strategic materials partners.

Compatible High-Precision Co-packaged Photonics Supplier in Bolivia

CPO solutions by ASMPT enable high-speed data and energy-efficient Co-Packaged Optics packages—optimize electronics and photonics integration now.

ficonTEC provides device micro-assembly and testing solutions for the photonic device industry. These solutions are realized as cutting-edge, high-precision production systems utilizing advanced ...

By seamlessly integrating advanced silicon photonics, ultra high speed circuit and packaging designs, Hyper Photonix offers a comprehensive range of high-speed optical transceivers - with data rate ...

Our aim is to help customers unlock scalable and cost-effective high-volume manufacturing of photonic integrated circuits (PICs), co-packaged optics and pluggable optics.

Designs, manufactures, and distributes precision optics to OEMs for applications in high-resolution biometrics, CCD imaging, OCR, security, surveillance, machine vision, metrology, and medical ...

For more than 25 years Hitachi High-Tech, an opto-communication solutions provider, has served the fiber optic industry with long term, reliable, strategic materials partners.

Search for and compare optical components from manufacturers around the world, or for custom jobs we'll match you with an industry expert service provider.

As a vertically integrated company, LioniX International offers solutions and services for photonic integrated circuit packaging and assembly at all volume levels and development stages. From ...
