## Customized Fangzheng Fire Cable Trays

We can produce cable trays in non-standard sizes, colors (with powder coating), bends, tees, reducers, and other accessories to fit your specific project layout.

Made of high-quality steel with professional fire-retardant treatment, the cable tray effectively blocks flame spread and ensures stable cable operation, even in high-risk industrial outdoor environments.

These trays can accommodate large number of branch lines and have high load-bearing capacity. The cable trays have great mechanical strength and requires minimum maintenance.
