

## Customized Large-Core-Diameter Fiber Bundles

## Customized Large-Core-Diameter Fiber Bundles

Large core fibers from Fibercore. Highly customizable designs with a wide range of coatings available. Contact us today.

Complementary to a single mode fiber bundle, a 2-D tapered fiber optic cable bundle uses a flat-bottom groove and lid to stack multiple fibers tightly together in a rectangular or circle arrangement.

Custom-assembled optical fiber bundles for laser, sensing, and UV applications - precise light distribution and reliable beam guidance for demanding environments.

FiberTech Optica delivers fiber optic bundles to meet almost any requirement. With virtually no limit on the number of fibers, all of our fiber optic bundles can be configured as spot, line, grid, hex, or ...

IDIL designs custom optical bundles and probes, from UV to NIR, for complex applications, using customized fibers, connectors, and high-precision assembly. Contact us!

Thorlabs' Bifurcated Fiber Bundles, also known as fanout or Y-cables, are constructed from two high-grade optical fibers encased in stainless steel tubing for durability. We offer these bundles with seven ...

Our fiber optic bundles are terminated with SMA905 □ SMA909 □ FC □ ST □ Reflective Probe TA/TB or customized connectors and are offered with high OH fiber, low OH fiber, and mid-IR fluoride optical ...

Our high-quality fiber optic bundles can be made with any fiber and your choice of several configuration possibilities. A number of connectors, including all standard connectors – or custom ferrules, ...

XSOF designs and manufactures high-performance fiber optic bundles and arrays tailored to your specific requirements. Our assemblies are composed of multiple optical fibers, providing enhanced ...

Infinity Fiber specializes in the manufacturing of custom fiber optic cable assemblies in all fiber counts and varieties. Custom fiber optic cables available in custom lengths, colors, breakout and required ...
