

Free quote for LPO optical module 400G in UAE

Free quote for LPO optical module 400G in UAE

Experience the future with our 400G LPO QSFP112, integrating Linear-Drive Technology for unparalleled short-range, high-bandwidth, and low-latency performance. Say goodbye to complex ...

An LPO (Linear Pluggable Optics) solution offers considerable power savings for optical interconnect by removing the digital signal processing (DSP) function from the pluggable optical module.

100G/200G/400G CFP2 DCO Pluggable Optical Transceiver Module. Product Features.

NADDOD Generic compatible 400G QSFP112 DR4 LPO optical transceiver features low power consumption of less than 4.5W and ultra-low latency. By replacing traditional DSP with LPO ...

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical ...

200G/400G/800G optical module features up to 40km transmission distances using QSFP56/QSFP-DD footprints for data center interconnect applications - FiberMall

This product is a 400Gb/s QSFP112 optical module designed for 0.5Km optical communication applications. The module converts 4 channels of 100Gb/s (PAM4) electrical input data to 4 channels ...

Backed by zero-impact warranty, our optics deliver peak performance for AI, HPC, and cloud workloads. Local support and expertise designed around the growing demands of the UAE ...

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical support & wholesale pricing.
