

## Palestine Low-Voltage Switchgear Manufacturer

### Overview

Since 2009, melemco was unique in design and build assembly according to IEC 61439 standard, we supply low voltage switchboards of different sizes and capacities up to 6000 Amperes. melemco is a national company based in Palestine, was established in 1997 by Eng. Fadi abu-zuluf in Ramallah for the purpose of producing low voltage distribution boards. it offers full range of general and technical expertise that effectively evaluates and design business oriented and cost. New Intertrade is one of the leading companies in the business of integrated system solutions in Palestine, offering endless services to build a strong local customer base. Each. The company offers low voltage switchgear solutions, including Residual Current Circuit Breakers (RFI), which combine overcurrent protection and earth leakage protection, making them ideal for efficient power management.

## Palestine Low-Voltage Switchgear Manufacturer

With years of expertise and a proven track record, we stand as leaders in the low voltage switchgear manufacturing landscape. Unmatched quality, precision, and reliability in low-voltage switchgear ...

Low Voltage Switchgear refers to electrical devices used to control, protect, and isolate electrical equipment in low voltage power distribution systems, typically operating at voltages up to 1,000 volts ...

Since 2009, MELEMCO was unique in design and build assembly according to IEC 61439 standard, we supply low voltage switchboards of different sizes and capacities up to 6000 Amperes.

Palestine MNS Low Voltage Withdrawable Switchgear Widely used in power generation, construction, steel, cement, mining, petrochemical, and other power supply and distribution systems

As the world's largest low voltage switchgear OEM with unmatched domain expertise and local support in more than 30 countries, ABB electrification solutions is truly your local partner.

Since 2009, melemco was unique in design and build assembly according to IEC 61439 standard, we supply low voltage switchboards of different sizes and capacities up to 6000 Amperes.

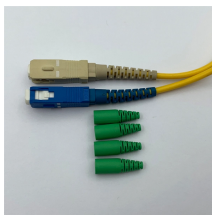

switchgear Companies Palestine, List of switchgear companies for import and export companies.

Discover the top 15 low-voltage switchgear manufacturers in 2025. Find the perfect switchgear is designed for safety, flexibility and intelligence. Updated list!

Supported by a team of specialized Engineers with extensive middle-east experience in the design of Electrical Control & Protection, Low Voltage Switchgear, Automation and Capacitor banks,

New Intertrade is one of the leading companies in the business of integrated system solutions in Palestine, offering endless services to build a strong local customer base. We are proved in ...
