

Spanish 3-Year Warranty SFP Optical Module QSFP-DD

Spanish 3-Year Warranty SFP Optical Module QSFP-DD

By partnering with tier-1 optical component manufacturers, we ensure every module meets the highest industry standards. Each transceiver undergoes rigorous testing and comes supported by a Limited ...

Choosing a selection results in a full page refresh. F-tone Networks is a brand of fiber optic products factory outlet dedicated to delivering quality compatible optical ...

The official store for QSFPTEK. We provide compatible optical modules with online shopping function.

With a warranty of 3 years, you can trust in the durability and longevity of this QSFP transceiver module, providing you with peace of mind and assurance of its quality.

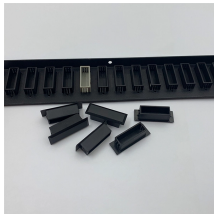

Universal Transceivers that work with nearly every device. SFP+, QSFP+, SFP28, QSFP28, QSFP-DD, OSFP, AOC, DAC, Optical Patch Cables Fast delivery

From SFP and QSFP to today's QSFP-DD and OSFP form factors, MSA specifications define how optical modules are mechanically, electrically, and logically designed—ensuring that products from ...

Choosing a selection results in a full page refresh. F-tone Networks is a brand of fiber optic products factory outlet dedicated to delivering quality compatible optical transceivers at wholesale price.

It adheres to IEEE 802.3bm and QSFP-DD MSA standards, ensuring reliable performance. With integrated digital diagnostics monitoring (DDM), it provides real-time insights into operating conditions.

850nm laser and photodetector for 40km transmission Compliant with SFP MSA and SFF-8472 with duplex receptacle Digital Diagnostic Monitoring: Internal Calibration or External Calibration ...

FS 40G QSFP+ optical transceiver module solutions offer a full range of QSFP+ modules from 150m to 80km reach, and used for high-density switching, routing and data center applications.

100% high quality products: We always strictly control product quality, every module had been individually tested on switches before shipping, customers can rest assured to buy. After-sales ...
