

Supplier of 1000mm deep corrugated sheathing for optical cables

Overview

Zeus manufactures polymer reinforced optical fiber and high-temperature sheathing products to support the latest fiber optic technology. We provide solutions and equipment for optical glass making, fiber drawing. Work with our experts to build the best solution for your environment. Our team will make sure the configuration is tailored to your needs and will provide a detailed quote. Email us using the Request a Quote below, or give our team a call. How can we improve?

Choose from our selection of cable sheathing, including expandable sleeving, tube sleeving, and more.

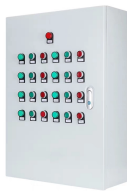

Supplier of 1000mm deep corrugated sheathing for optical cables

We provide solutions and equipment for optical glass making, fiber drawing, fiber coating, ribbon making, proof testing and fiber optic cable production. Our technology is used to produce telecom preforms, ...

Pioneer Industry: Application: This production line is used to extrude inner and outer sheath of optical cables.

Zeus manufactures polymer reinforced optical fiber and high-temperature sheathing products to support the latest fiber optic technology. We offer a wide range of fiber coating diameters and sheathing ...

Mechanical properties for different cable types are set with armoring and strength ...

Mechanical properties for different cable types are set with armoring and strength members. Our state-of-the-art extrusion technology offers you the ability to utilize a large variety of plastic materials to ...

Our team will make sure the configuration is tailored to your needs and will provide a detailed quote. Email us using the Request a Quote below, or give our team a call.

Radiall is a global leader in the design, development and manufacturing of high quality optical cable assemblies and complex optical systems.

Thanks to our expertise and, furthermore, our advanced technical capabilities, we therefore offer both standard optical fiber cables and fully customized fiber cable assemblies, which ...

Explore 9 top manufacturers and suppliers of Fiber Optic Sheathing in our comprehensive photonics buyers' guide.

We design and manufacture a broad range of high-performance fiber optic components and integrated modules for original equipment manufacturers (OEMs) within the optical network equipment market.

Choose from our selection of cable sheathing, including expandable sleeving, tube sleeving, and more. Same and Next Day Delivery.
