

The fastest way to complete a distribution box set

Overview

Here are critical distribution center (DC) processes and best practices to help anyone quickly get up to speed on what goes on inside DCs and fulfillment centers. If you've published a series or have an extensive backlist, repackaging some of these books into a box set can be a great way to revive sales. Especially if you make the cost of the box set less than the combined cost of the individual books, a box set promotion can attract new readers, funnel. OK, you have the required mailing permit and a 6 or 9-digit USPS Mailer ID. You've printed your mail pieces and you have your mailing list. Now what?

To earn bulk mail rates, you must do some of the work that USPS would otherwise do. Fortunately, there is low-cost software that can do much of this. 50+ subscription box fulfillment centers strategically positioned across the nation, near your subscribers and major shipping lanes, ensuring 2-day delivery to 96% of US consumers as the leading Subscription Fulfillment Network. When choosing one, check the IP or NEMA rating. A higher rating means better protection — especially useful for outdoor or industrial use. This

means having a film be purchased or rented by a distribution company, which will then take the steps of marketing and displaying the film.
