

What is CTC fiber optic cable

Overview

CTC offers fiber-optic networks in many of our service areas. Unlike older copper cabling, fiber doesn't slow down over long-distance cable runs. This means everyone in your household can stream, shop, work, learn, and game to their hearts' content! With fiber optics, both download and upload. CTC installed fiber throughout the city giving everybody reliable and fast TV and Internet service. I enjoy faster speeds than my brother in the metro. CTC and the City of Randall have a close and professional working relationship. CTC. From fiber internet to hosted phones to wireless solutions, CTC has the technology and expertise to support your business as it grows. Here for you! Since 1950, CTC has served our members in the Brainerd Lakes Area and beyond. We are a local, independently-owned company — founded by Dean and Hazel Cunningham and still.
